CIA Insurance PAINTBALL SAFETY RULES & GUIDELINES

All players and spectators must read and follow these important guidelines. The purpose of these rules is to ensure safe play and sustain the level of organization and good sportsmanship necessary to keep paintball a positive, enjoyable activity. Participants will be restricted from play and may be ejected from the field, without refund, for violating any of these safety rules.

- **Listen** to and follow the directions of the field's staff. Do not argue a ref's decision; do not distract his attention from his duties. Referee's decisions are final.
- Everyone, including spectators, must **wear a full-coverage, unaltered goggle/face mask** system when on the field, at the target range or in any designated shooting area.
- No shooting into or out of the parking area/staging areas. **Industry approved barrel safety socks and/or plugs always must be installed in these areas.** Squeegees, sticks, rags, etc. are not approved barrel safety devices.
- Shooting is permitted only when on the field or at the target range where and when players have their goggles on. Do not shoot at signs, structures, cars, etc. Do not shoot at wildlife on the fields.
- No alcohol or illegal drugs are allowed on the premises. We are a Non Smoking Facility.
- Do not litter, vandalize or behave in an unsafe manner. Do not climb trees. Do not move or tamper with field structures and bunkers.
- Throwing and/or pouring paintballs on the ground is prohibited. Guests are not allowed to throw paintballs or pour paintballs anywhere on the premises. Garbage cans are located throughout the grounds. Please use them.
- Any person who uses abusive language, engages in confrontational arguing, has physical contact, and/or threatens physical violence will be expelled from the field.
- All potentially dangerous gear (such as firearms, pyrotechnics and explosives) is prohibited. Personal paintball equipment must be approved by the field staff. All paintball markers must have a trigger guard.
- Pump and semi-auto paintball markers only. During regular play, the maximum rate of fire at a single player is a 3-round burst. Pause so he/she can check for a hit. Hold your paintball marker above your head to signify your elimination during a game.
- Paintball marker velocity must be chronograph checked before playing. Maximum velocity is 300 fps for all play.
- Manually adjustable velocity regulators (any system not requiring a tool for adjustment) are prohibited. No tools are allowed on the field during play.
- Do not attempt to remove the power source or other parts from field paintball markers, and do not tamper with the Field goggle/face mask systems. You are personally and financially responsible for damage to camp equipment while in your care.
- Field Paint Only
- Do Not Leave Markers in Direct Sunlight

You are required to read and sign this safety rules document and the Waiver of Liability document.

No Waivers, no play. No spectator participation. Sorry, No exceptions.

Like players and spectators in athletic events accepting the hazards that normally attend the sport, I hereby consent to being marked by paintballs while I engage in playing or watching paintball. I hereby understand that the Matt's Outback paintball fields and their environment poses its own set of risks that **I also assume all risks** for playing in or watching the games. I accept these risks as the intent of the game and I knowingly assume all risks associated with the sport of paintball, known and unknown to me. Raise your arms when eliminated. This is the only officially recognized way to signal your elimination. Failure to signal your elimination may expose you to continued paintball hits. A player without his/her arms up is a fair target.

Ouch Ouch Ouch does not count!!! When eliminated go silently and quickly to a neutral zone with your arms raised.

I have read and fully understand the terms of this agreement. **This is fully intended to be a legally binding contract.** If I, have any doubts concerning the contents of this document, I will consult an attorney before signing it.
